Held Indoor at the Frances Steube Community Center
(22 South Trine Street, Canal Winchester)

Destination: Canal Winchester looks forward to having you sell your unique merchandise at this popular annual event. It brings several hundreds of area families out to celebrate an old-fashioned Norman Rockwell-like Christmas in our beautiful historic downtown. You must be able to commit to both nights and you must staff your booth for the duration. Most events for Christmas in the Village take place on South High Street, and we're scheduled to be a stop on the carriage rides, so the flow of customers should be excellent like last year! (For more info on this event, please see www.DestinationCW.org). We'll be sharing the space again with the a wonderful old fashion train display (a real crowd pleaser)! Your \$40 fee (\$25 for D:CW members) covers your 6' table and space for both nights. The number of tables is limited to 14 and space is reserved on a first-paid basis.

NOTE: This event is publicized through press release, flyers, social media and local papers.
Setup starts Friday at 5 p.m.

To register, please return bottom portion with payment to D:CW, P.O. Box 45, Canal Winchester, OH 43110. You may direct questions to Karen Stiles -info@destinationcw.org or 614.270.5053
